teaching: mathematics, geometry, composition, drawing, design, project planning.

construction: carpentry, electricity, piping systems, building structure.

artistry: drawing, painting, photography, music (composition), poetry, gastronomy.

language: Portuguese (mother tongue), English (fluent), Spanish (independent), Swedish (basic).

REFERRALS

Leon Huang: president and founder of Hua Hui Design, +8618622182250.

Kevin Guo: department director at United Design Group, +8613917227000.

Sven Ahlenius: partner of AIX Architects, +46706906166.

Peter Walker: partner and CEO of Byrån för Arkitektur och Urbanism, +46706354236.

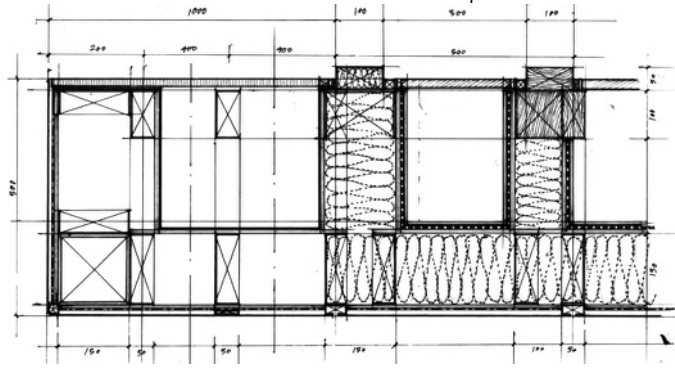

Nuno Pacheco: owner of NGP Arquitectura, +351225509190.

Nuno Lacerda: owner of CNLL Architects, +351227347599.

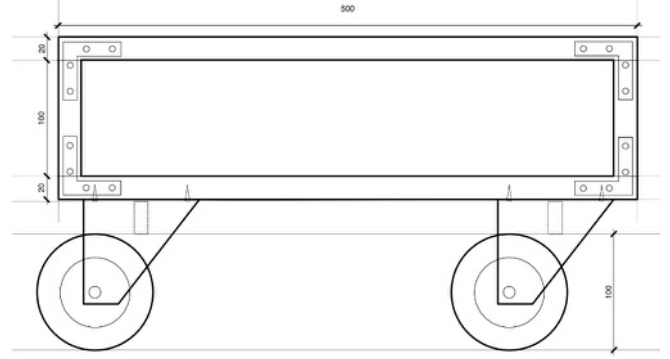

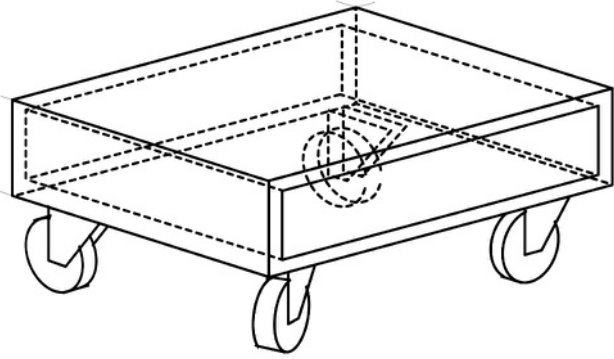

PROJECTS

list of selected projects is attached.

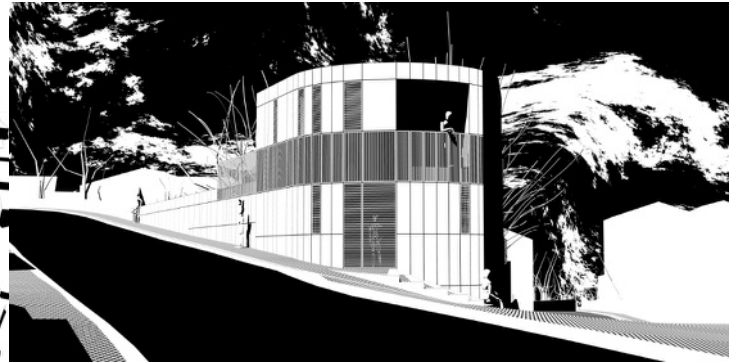

worldwide ~ BRICK: modular urban development

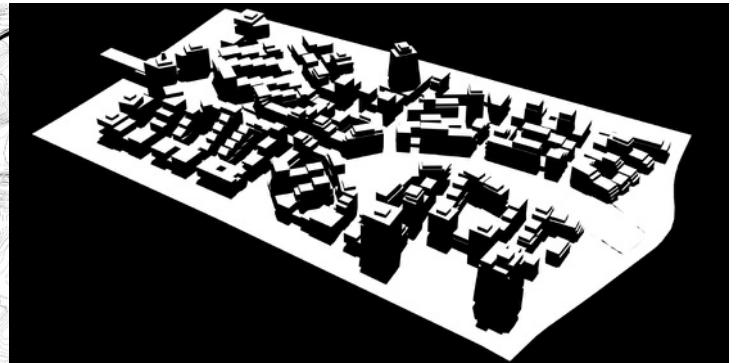

worldwide ~ the Movables: furniture

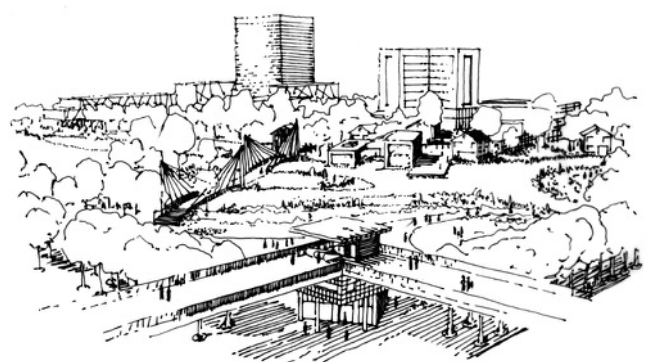

Portugal Santo Tirso ~ the Corner of the Rua da Ponte Velha & the Rua das Tílias: villa

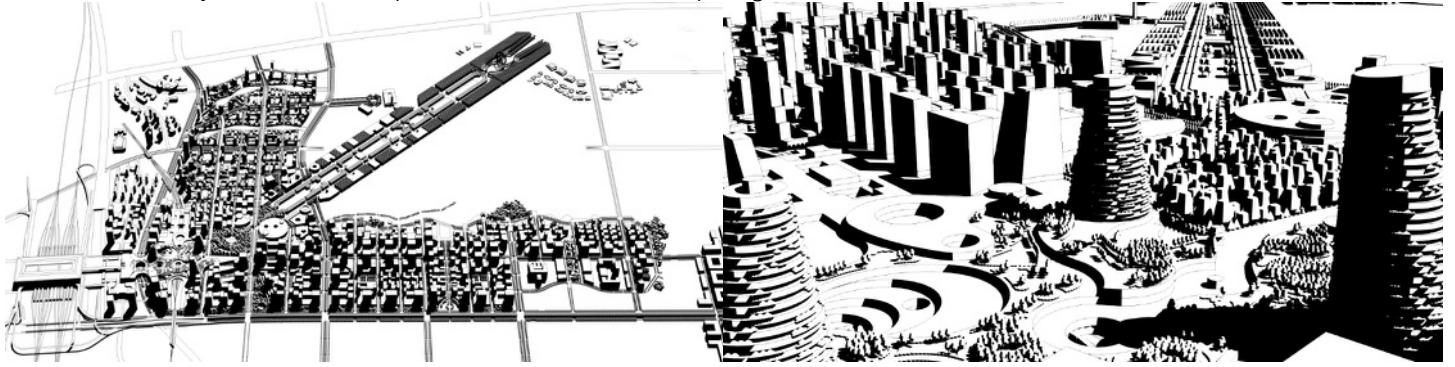

China Chengdu ~ Hills Grove: international community

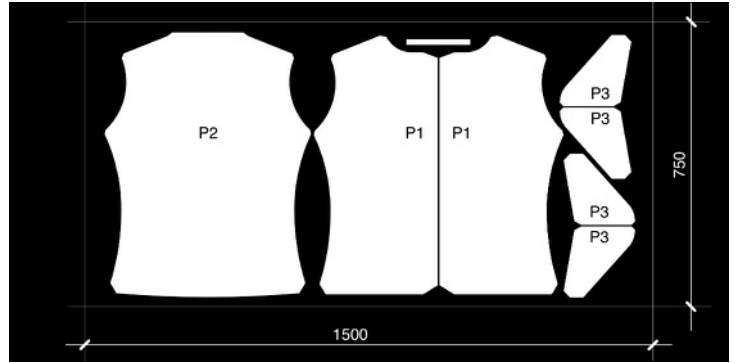

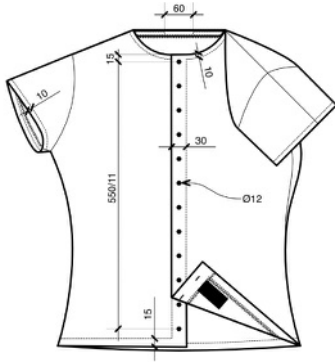

China Linhai ~ Touden Port-Town: residential district

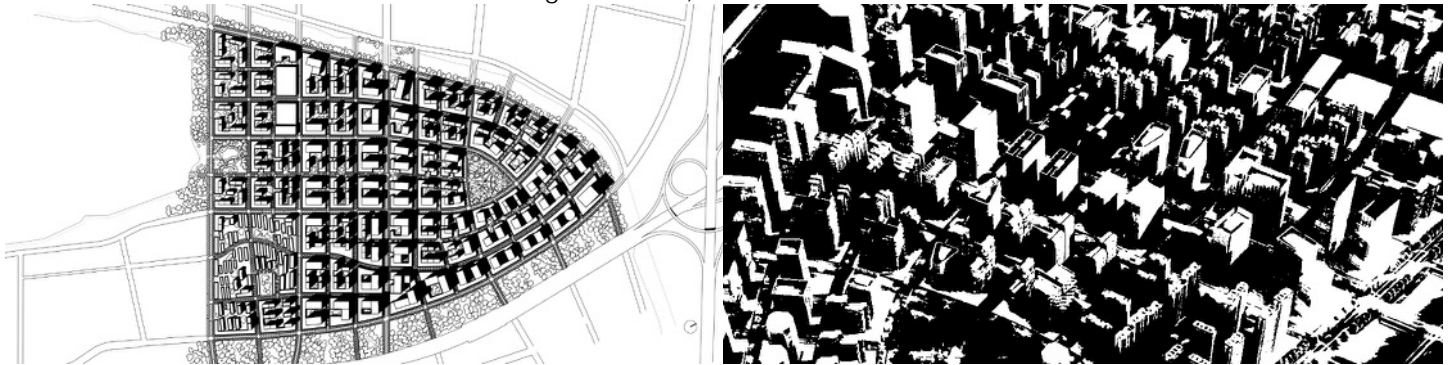

China Hefei ~ City & Park: central park district, renewal of airport grounds

worldwide ~ Tee: shirt

China Wuhan ~ Versatile Centre: mixed-use neighbourhood, renewal of food market

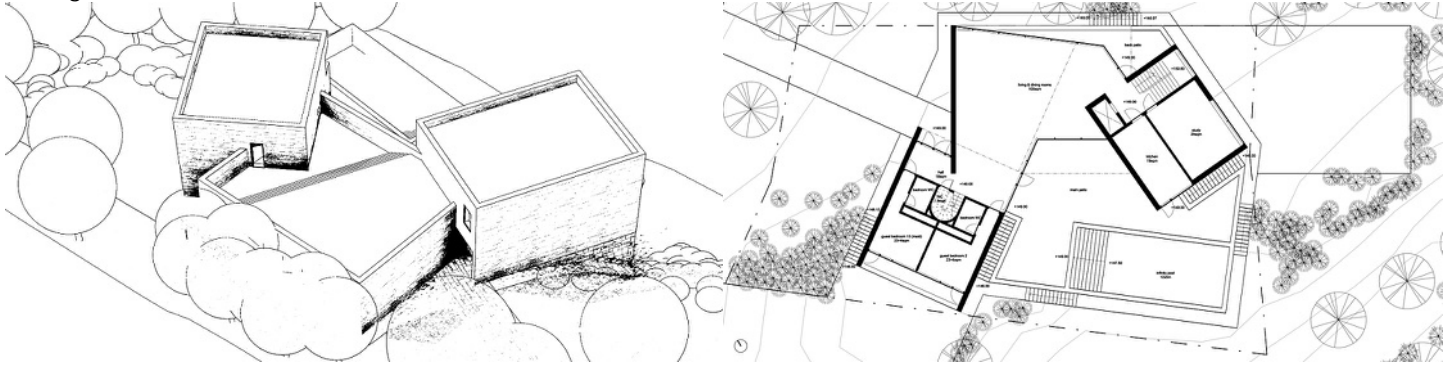

China Jinkou ~ Nature in Place: city expansion

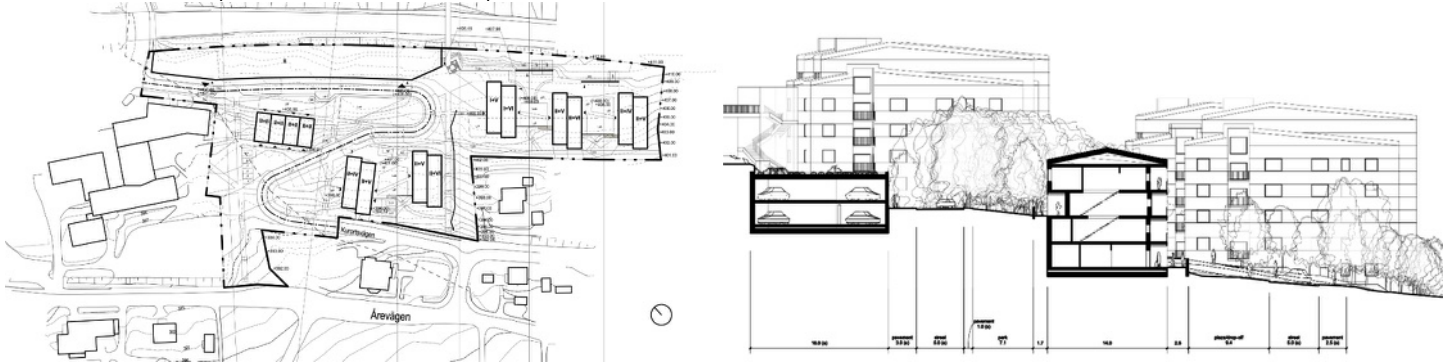

China Danyang ~ GOD: central culture district, regeneration of temple and renewal of agricultural grounds

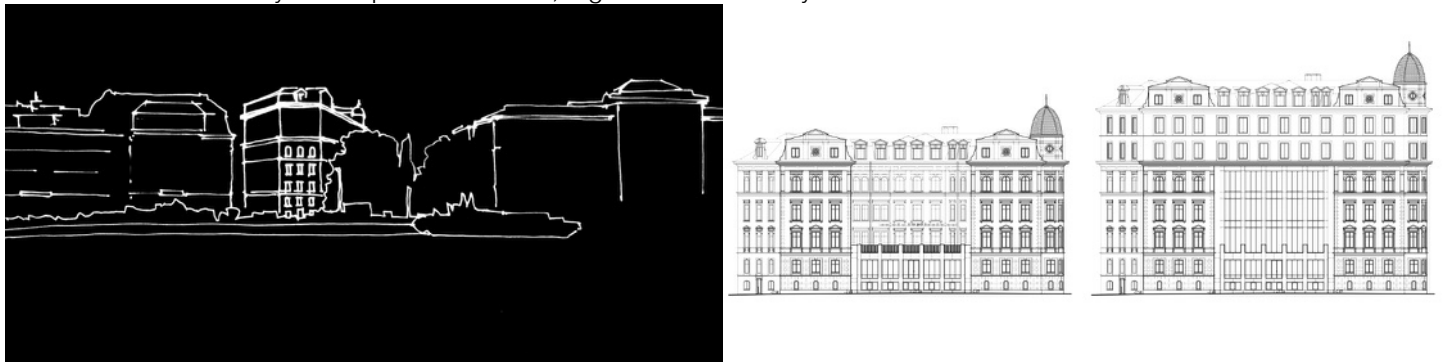

Portugal Sintra ~ Sea Home: villa

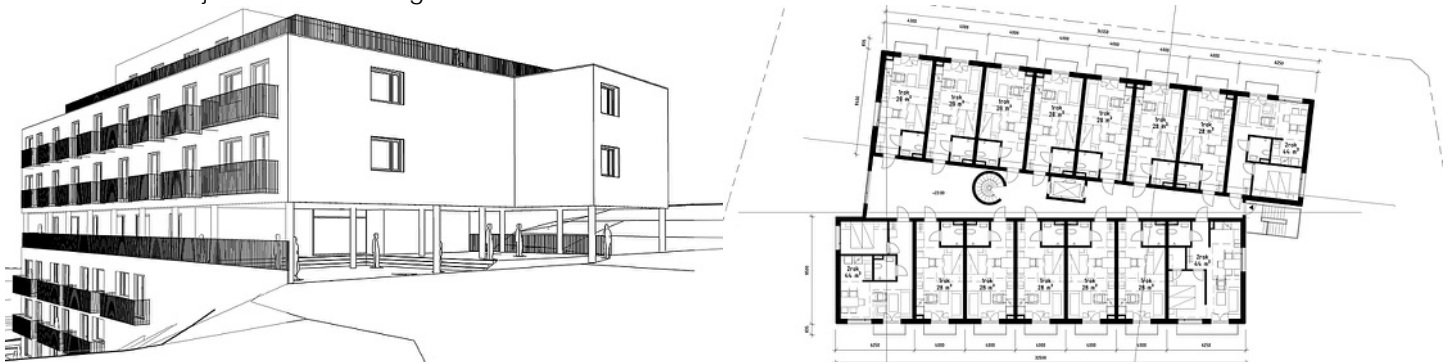

Sweden Åre ~ Tottparken: residential complex

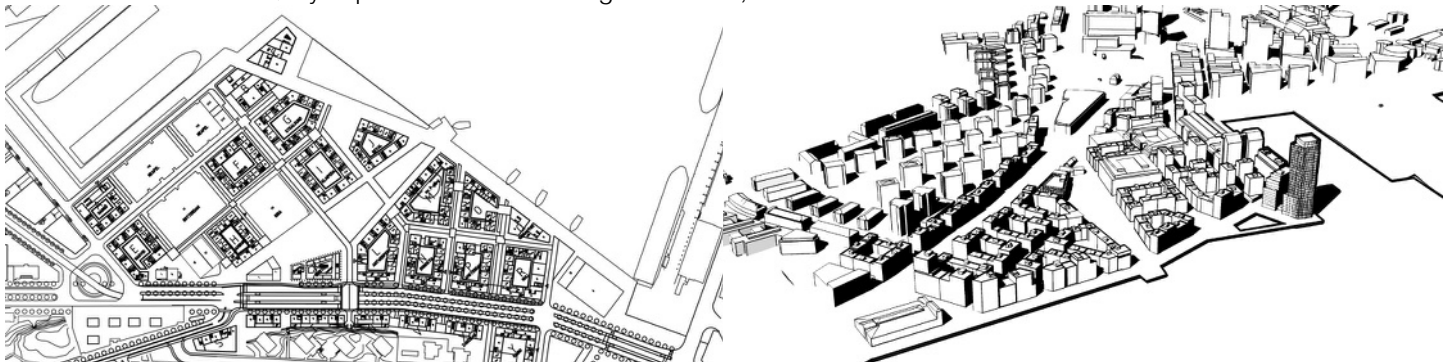

Sweden Stockholm ~ Lydmar Updated: add-on, regeneration of luxury hotel

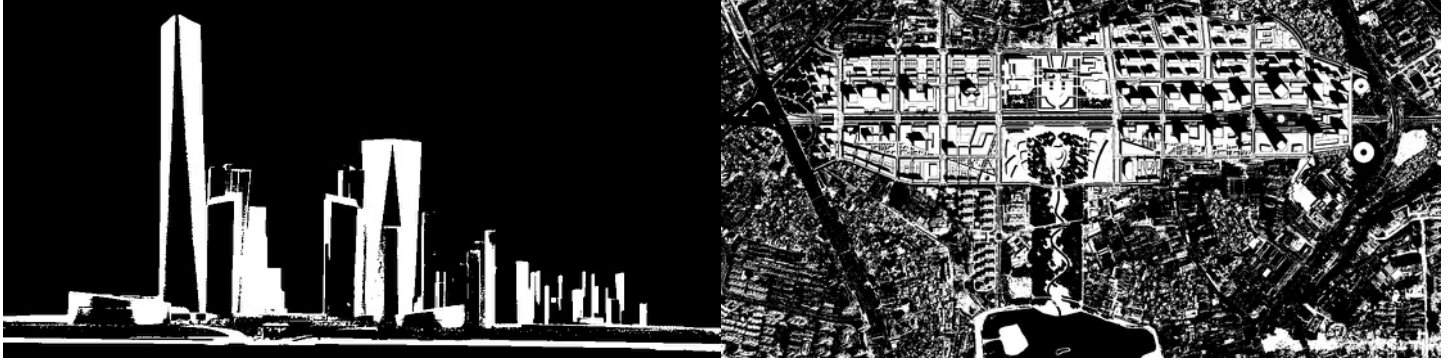

Sweden Södertälje ~ Share: housing

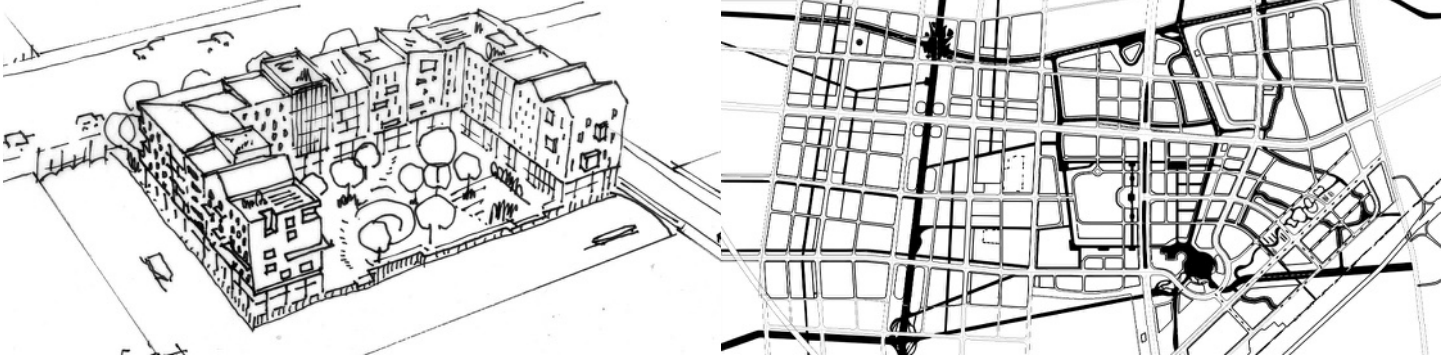

Sweden Stockholm ~ Quay Squares: mixed-use neighbourhood, renewal of harbour

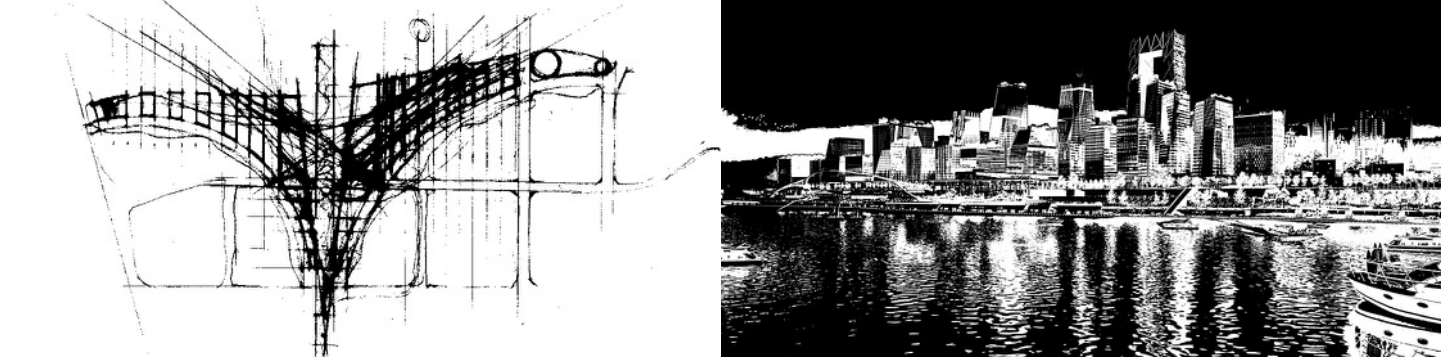

China Haikou ~ POD: central business district, renewal of airport grounds

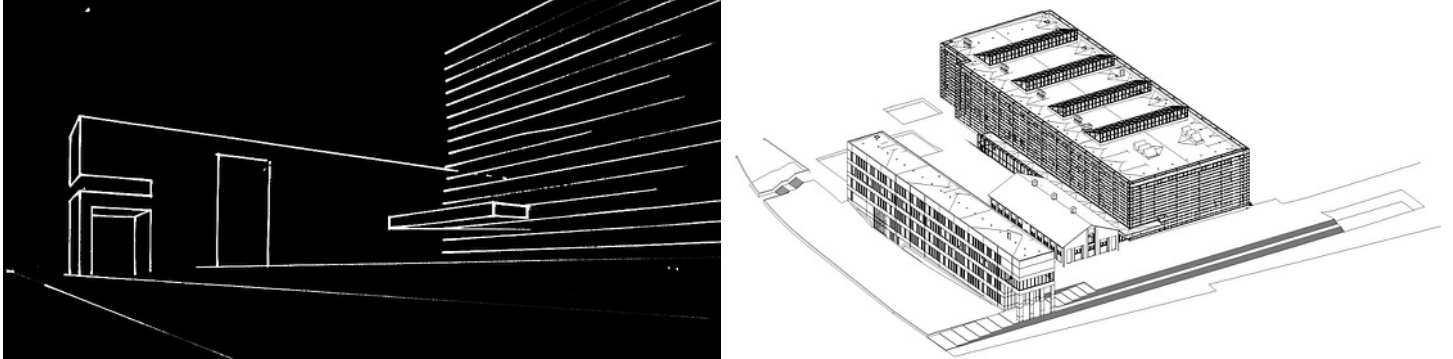

China Xitang ~ Cross of Socioecology: residential district

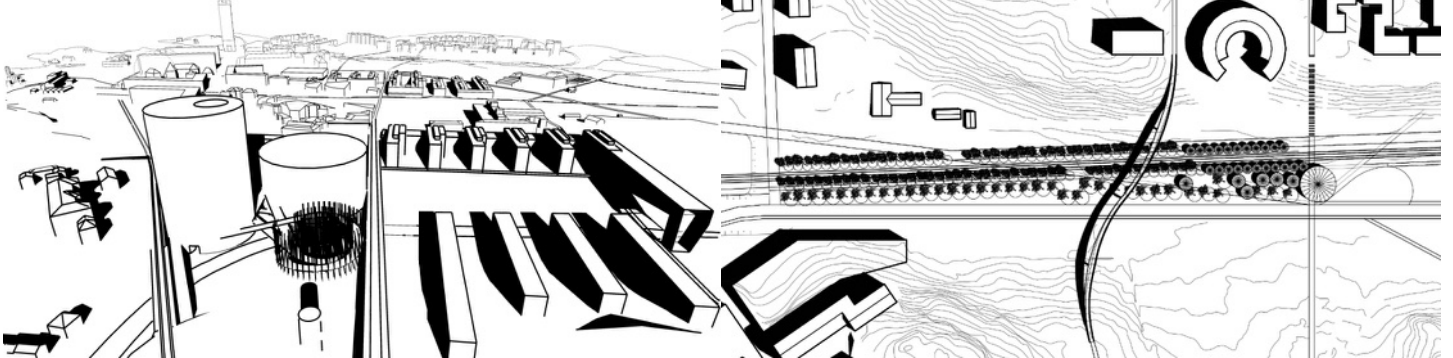

China Yibin ~ Yibin's Axis: central business district, renewal of riverfront

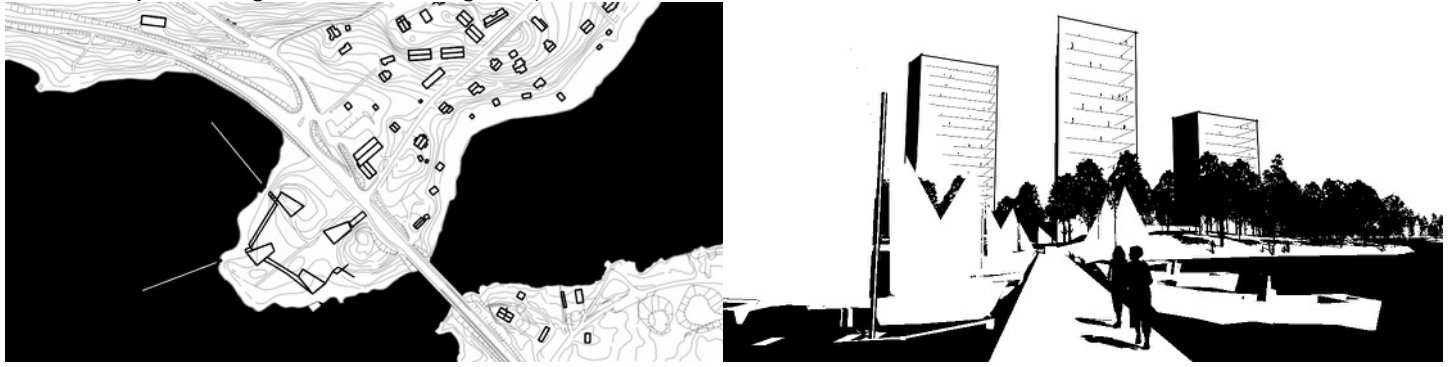

Sweden Stockholm ~ KMH: campus, renewal of city block

Sweden Stockholm ~ Enter the Park: regeneration of city park and campus

Finland Lohja ~ the Lighthouses: housing complex

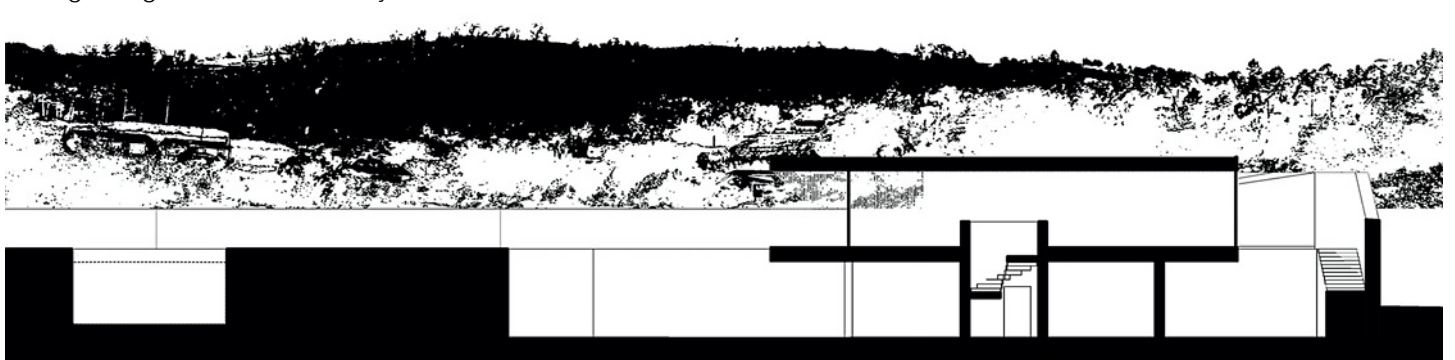

Norway Rjukan ~ Humanisation: regeneration of industrial parks

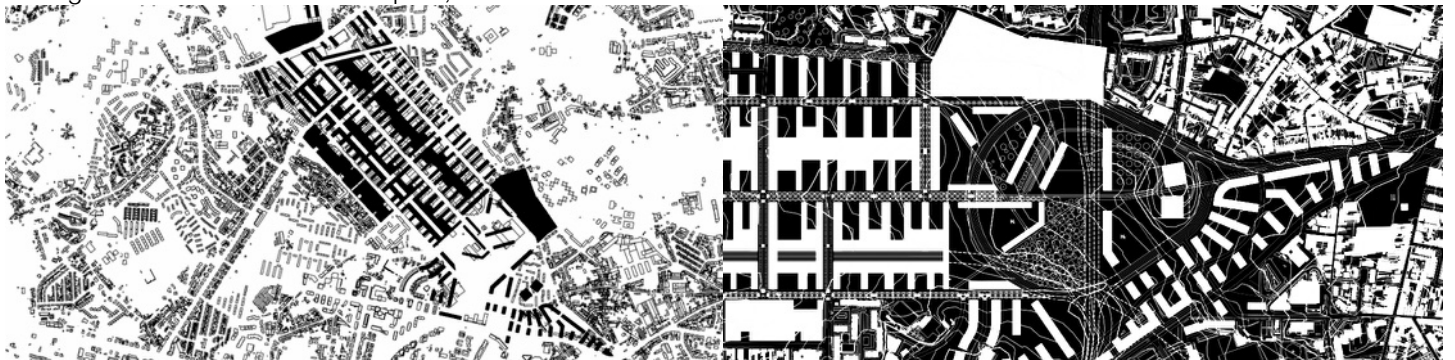

Sweden Solna ~ New Solna's District: arena district, renewal of industrial area

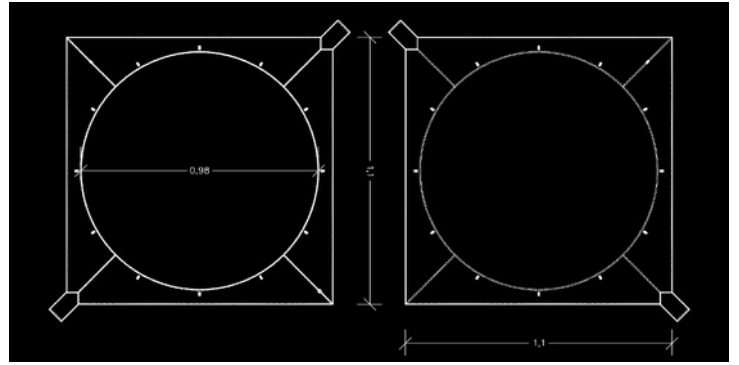

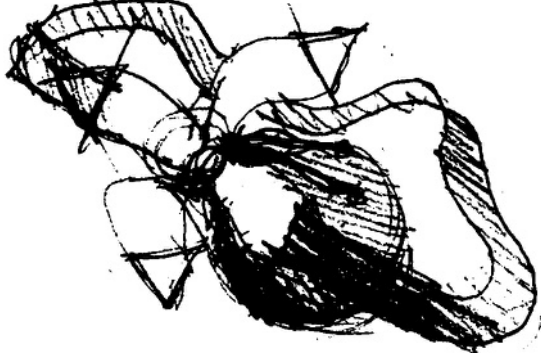

Portugal Felgueiras ~ the Granary Estate: villa

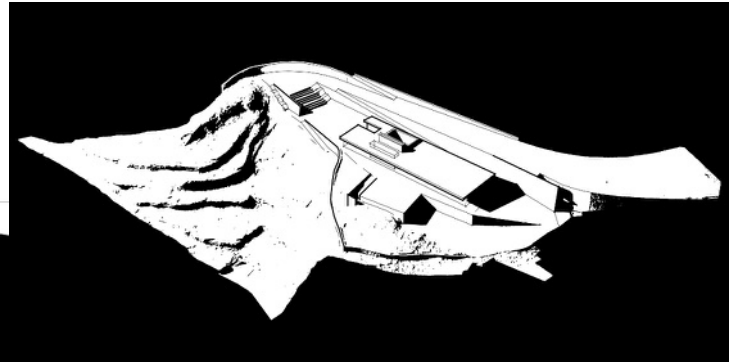

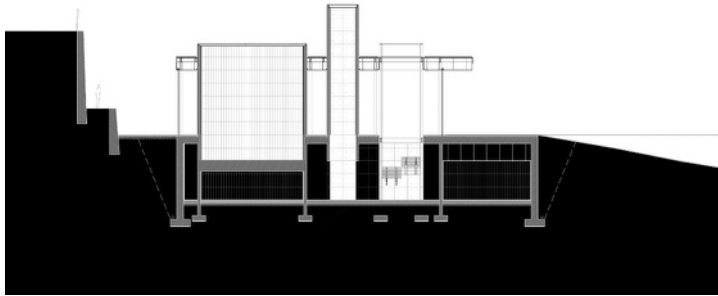

Portugal Porto ~ CEEA: business park, renewal of industrial area

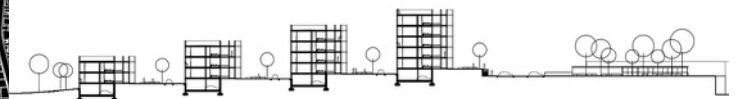

worldwide ~ Lotus: bag

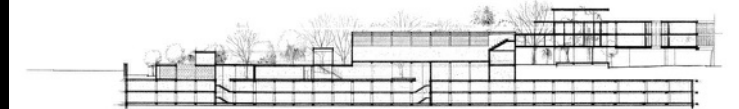

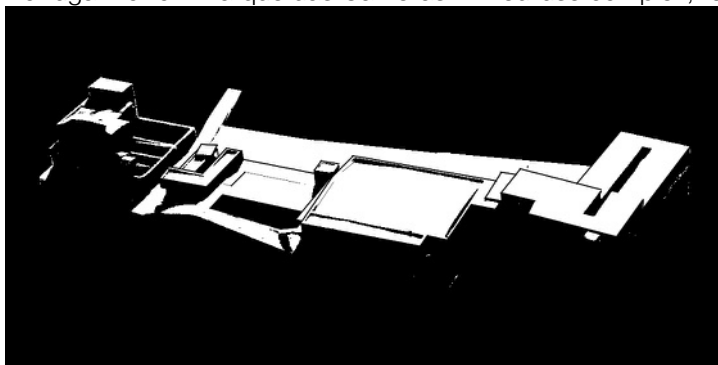

Portugal Porto ~ IFT: archive and exhibition hall

Portugal Porto ~ Versatility In'habiting: housing and retail complex

Portugal Porto ~ Parque das Camélias: mixed-use complex, renewal of city block

Portugal Porto ~ o Polvo: student residence
